What do you need to do now?

Over the next month you are asked to use the worksheets/assessments and draft actions you will take to implement the COP. Someone from NZPPA will discuss the actions and gather the “good news” stories to be published.

You can start by noting down actions and activities relating to the COP outcomes that you have already started or completed:

1.

2.

3.

4.

5.

6.
